

ORGANIZING COMMITTEE | HSTAM Administrative Council

Prof. D. Beskos, University of Patras, President, Co-Chairman
Prof. E. Gdoutos, Democritus University of Thrace, Vice President
Prof. H. Georgiadis, National Technical University of Athens, Secretary General
Prof. V. Koumoussis, National Technical University of Athens, Treasurer
Prof. J. Katsikadelis, National Technical University of Athens, member
Prof. A. Kounadis, Academy of Athens and National Technical University of Athens, member
Prof. D. Panayotounakos, National Technical University of Athens, member
Prof. E. Theotokoglou, National Technical University of Athens, member
Prof. M. Papadrakakis, National Technical University of Athens, member
Prof. N. Makris, University of Patras, member

LOCAL ORGANIZING COMMITTEE | Technical University of Crete

Prof. G. Stavroulakis, Co-Chairman
Prof. Z. Agioutantis
Prof. C. Providakis
Assoc. Prof. Y. Tsompanakis
Assist. Prof. I. Nikolos
Assist. Prof. D. Rovas
Lect. M. Stavroulaki
Dr. G. Drosopoulos
Dr. A. Muradova

CORRESPONDENCE

Prof. Georgios E. Stavroulakis, Technical University of Crete
Dept. of Production Engineering and Management, Institute of Computational Mechanics and Optimization, GR-73100, Chania, Greece
Tel: +30 2821037418, Fax: +30 28210 37486
Congress Secretariat: Maria Bakatsaki (M.Sc.)

HELLENIC SOCIETY FOR THEORETICAL AND APPLIED MECHANICS (HSTAM)

Member of the International Union of Theoretical and Applied Mechanics (IUTAM)

TECHNICAL UNIVERSITY OF CRETE
Department of Production Engineering and Management
Institute of Computational Mechanics and Optimization

10th HSTAM INTERNATIONAL CONGRESS ON MECHANICS

Chania, Crete, GREECE

May 25-27, 2013

CALL FOR PAPERS

<http://www.10hstam.tuc.gr>

GENERAL

The Hellenic Society for Theoretical and Applied Mechanics in cooperation with the Technical University of Crete organizes the 10th HSTAM International Congress on Mechanics to be held in **Chania** from **25-27 May, 2013**.

The Hellenic Society for Theoretical and Applied Mechanics, a member of IUTAM, was founded in 1978 and has already successfully organized nine international congresses.

Technical University of Crete was founded in 1977 and is oriented towards innovative and modern engineering education and research.

Chania on the Island of Crete is a wonderful destination for tourists. The venue is the 5-star **Porto Platanias Beach Resort & Spa**, which is situated in Platanias village ca. 7 Km away from the city of Chania.

For more information about the Congress please visit the website <http://www.10hstam.tuc.gr>.

RESEARCH AREAS

- Mechanics of deformable solids (elasticity, plasticity, viscoelasticity, constitutive theories, contact mechanics)
- Structural mechanics (beams, frames, plates, shells)
- Structural dynamics and stability
- Fluid mechanics (fluid dynamics, hydraulics, aerodynamics)
- Theoretical mechanics and mathematical methods
- Computational mechanics and numerical methods
- Experimental mechanics and measurements
- Geomechanics, Biomechanics
- Dynamics and wave propagation
- Fracture, damage and defects in solids
- Micromechanics and nanotechnology
- Mechanics of materials (composites, polymers, ceramics, smart materials, geomaterials).

Scientists and engineers working in the above areas are invited to submit an abstract of about 300 words in English. The abstract should state clearly the purpose, procedure, results and conclusions of the full paper. Authors will be notified of preliminary acceptance within one month following the submission deadline. The final acceptance will be done on the basis of the full-length paper, which has to be written in English, after review by two experts, according to the regulations for publication of papers in well-known international journals.

A number of eminent scientists in selected areas will be invited to present key-note lectures and invited papers.

The official language of the Congress is **English**.

IMPORTANT DATES

- Submission of abstract by ~~December 1, 2012~~ **January 15, 2013**.
- Preliminary acceptance based on abstract by **January 5 25, 2013**.
- Submission of full paper by **28 February 2013**.
- Final acceptance by **15 March 2013**.

Submission of abstracts and final papers can be done only electronically via the Congress e-mail: 10hstam@dpem.tuc.gr.

REGISTRATION FEES

The registration fees for Senior Participants are 300 € and for Young Researchers (up to 35 years old) are 200 € (deadline 31st March 2013).

Registration Fees include the presentation of two (2) papers at most for Senior Participants and one (1) paper for Young Investigators, a copy of the book of abstracts and a copy of proceedings, as well as, coffee breaks and lunches.
